

Natural Resource Advisory Group

Revised Agenda for February 16, 2023

A. Jess (City librarian) asked Jason about city plans for Arbor Day and Earth Day. She was hoping the library could work collaboratively with the city around events to learn/celebrate these days

B. Continuing Business

1. City's Sample Tree Ordinance – Jason

Jason Ludwigson, Chair of the city's Green Step Committee had asked for a review of the attached sample tree ordinance (Sample ordinance is attached). This item was postponed to this meeting as Jason was not able to attend the Feb meeting.

2. Migratory Bird Day status- Jim Nissen

3. Draft signage at Kistler Park- Betsy

4. Buckthorn and Garlic Mustard Management –
Possible grant discussion- and how to move forward

C. New Business

1. Marge attended the “Smart Salting for Community Leaders workshop with We Are Water MN and Minnesota’s Lake Superior Coastal Program webinar.

a. a request has been submitted to Long Term Resource Monitoring for information regarding chloride levels in Blue Lake

2. Other
