

BUILDING PERMIT REQUIREMENTS FOR RESIDENTIAL ADDITIONS AND PORCHES LA CRESCENT, MINNESOTA

The following information must be submitted to the Building Department before a building permit can be processed and approved:

1. **Building Permit Application online.**
2. **Survey or Site Plan.**
3. **Building Plans.**
4. **Minnesota Energy Code Compliance Form**
5. **Miscellaneous as required.**

A more detailed description of items 1-4 is listed below. After a preliminary review additional information may be required. Allow 7-10 working days for processing.

1. Building Permit Application: Complete a Building Permit Application online.

2. Survey or Site Plan: Provide an updated plan of the property showing the direction north, property lines, road right of ways, easements, existing buildings [with dimensions] and project address. Diagram the proposed addition location, dimensions and proposed setbacks from property lines, existing buildings and all topographical features. A registered survey may be required. (See sample attached.)

3. Building Plans: (See samples attached.)

A. Elevation Drawings [exterior views] of front, rear and sides of finished addition. Indicate the height from finished grade to the top of the sidewalls and peak.

B. Section drawing [side, cutaway drawing] showing the details of the footings, foundation, floor, wall and roof construction, (provide an MN Engineers signed roof truss specifications at the framing inspection.)

C. Floor Plans of the basement and each floor showing the length and width of the addition, room dimensions and use [bedroom, bathroom etc.], finished and unfinished areas, window and door locations, window manufacture and product number, header sizes, interior walls, stairs and plumbing/heating fixtures.

D. Window Schedule showing manufacture, model number and location.

4. Miscellaneous: Grading and/or Filling Permits may be required if significant parcel or topographical alterations are proposed.

Zoning: A zoning permit application is required if a variance, conditional use permit or special evaluation is required, contact a city planner for specific requirements.

Permit Fees: Are determined by the value of the proposed remodel, including all labor and materials, (even if the homeowner will be doing the work.)
