#### **A. INITIATING COMPLAINT**

1. Anyone who has personal knowledge of facts or who has reliable hearsay information may file a complaint. Any agency member who has personal knowledge of misconduct shall file a complaint according to the procedures stated herein.

2. Any agency member shall self-report to the CLEO and to the Peace Officer Standards and Training Board any action, inaction, or condition of that agency member which the agency member reasonably believes would constitute grounds for disciplinary action under any of the Peace Officer Standards and Training Board's regulatory provisions.
3. Complaints may be received either in person, over the telephone, in writing or via the internet. A complainant may remain anonymous; however, the complainant should be advised that remaining anonymous may affect the investigation of the complaint.
4. Employees must aid individuals who express the desire to lodge complaints against any employee of this agency. The complainant must be advised of the procedures for submitting the complaint and provided with a signed / notarized copy of their submitted written complaint.
5. After a CCF is filed, the CLEO shall acknowledge receipt of the complaint and notify the Respondent and Complainant how the complaint will proceed. The CLEO will forward a copy of the document to the respondent, only after it is determined that the complaint does not allege a criminal violation and the notification will not impede a criminal investigation.
6. A complainant may be accompanied by an attorney or other appropriate representative at the time a complaint is filed or at any other stage of the process.
7. Any complaint made against a chief of police shall be initially made or referred to the city administrator.
8. The city administrator should refer investigations of alleged misconduct against a CLEO to an outside law enforcement agency or criminal justice agency.

## **B. THE INVESTIGATION OF A COMPLAINT**

1. Upon receipt of the Citizen Complaint Form (CCF), the CLEO shall make an initial determination whether the facts alleged requires a formal investigation. If the CLEO decides that an investigation is not required, the disposition of the complaint must be cleared as "unfounded", "not sustained" or "exonerated". The complainant and the respondent will be notified of this decision and the basis for determination. If the complainant supplies additional information within thirty (30) days of that initial determination, the CLEO may reverse this decision and order a formal investigation.
2. If the CLEO determines that an administrative investigation is required, an appropriate person will be assigned to investigate the complaint. When the CLEO believes an external investigation is appropriate or when the CLEO is the subject of the complaint, the investigation will be assigned to an external agency.
3. The CLEO may suspend a respondent with pay at any time during the investigation of a complaint.
4. The investigator shall, as soon as possible after being assigned the investigation, inform the complainant of his or her name, business phone number, and the status of the complaint.
5. The investigator shall thoroughly investigate all allegations contained in the complaint and any other potential misconduct discovered during the investigation. If the investigation reveals potential misconduct by another agency member, the investigator shall report that fact to the CLEO of that agency.

6. All agency members must cooperate with the investigation. When the respondent is a licensed peace officer, the investigation shall comply with the requirements of MN Statutes, Section 626.89 and acts amendatory thereto.
7. The investigator shall prepare a report which will contain all relevant information organized into the following three (3) sections:
  - a) **allegations**: an itemized summary of the acts of misconduct alleged in the complaint. Reference shall be made to those rules, procedures, order, statutes, or constitutional provisions that would be violated if the allegations are taken as true.
  - b) **investigation**: a chronological summary of the investigation, including all pertinent facts obtained through interviews with the complainant, accused agency member and all available witnesses. Written statements, descriptions and analysis of any physical evidence, and all other relevant information shall be included.
  - c) **conclusions**: the investigator's findings, conclusions as to whether any misconduct occurred, and the underlying reasons for the finds and conclusions.
8. The investigation shall be completed within thirty (30) days of the filing of the complaint, unless for good cause the CLEO grants an extension. The complainant and respondent shall be informed of any extension of time granted.

### C. ADDITIONAL INVESTIGATION, REVIEW AND DISPOSITION

1. Upon completion of the investigation, the investigator shall submit the report, case file, and all investigative notes to the CLEO. The CLEO may require additional investigation or make one of the following decisions: "Unfounded", "Exonerated", "Not Sustained", "Sustained" or "Policy Failure"
2. The CLEO may postpone making a decision until any related criminal charges are resolved. The complainant and respondent shall be informed of this decision.
3. If the decision is "Unfounded", "Exonerated", "Not Sustained" or "Policy Failure" the CLEO shall immediately notify the complainant and the respondent of the decision.
4. If the complaint is "sustained" the CLEO will:
  - a) issue findings of fact including a summary of the acts constituting misconduct and the specific statutes, policies, regulations, and procedures violated; and
  - b) take appropriate remedial and/or disciplinary action.
5. Prior to the implementation of remedial and/or disciplinary action, the respondent will be provided with a copy of the findings of fact. The CLEO and/or appropriate person shall review the findings of fact with the respondent and explain the reasons for the remedial and/or disciplinary action.
6. The investigation may be re-opened by the CLEO at any time if substantial new evidence is discovered concerning the complaint.
7. When a "sustained" disposition is final, the respondent may appeal the disposition pursuant to the rules and law governing the accused member's employment.
