

REVISED

City of La Crescent Summer Recreation Guide Summer 2020

Due to CDC guidelines and the State of Minnesota Health and Safety Regulations, changes have been made to our Summer Recreation program. Thank you in advance for your patience as we work through these changes. Our hope is to provide recreational programming to the best of our abilities while also following specific guidelines to keep everyone safe.

The following programs for this summer have been cancelled: basketball, log rolling, swim lessons, swim team, and volleyball.

The following programs will start June 22nd: baseball/t-ball, youth softball/t-ball, youth golf lessons, and youth tennis lessons. These programs will exist in a modified version and no games will be played. Coaches will make every attempt to disinfect equipment and when possible, provide separate equipment for each participant.

Our hope is that sometime this summer, we are able to open the La Crescent Aquatic Center. At this time, under State guidelines, we are unable to open. If and when the pool becomes possible to open, we will notify the public and guidelines will be shared.
